

## President's Message - June 2015

This is an important time for QMSC as we pursue a strategy of growing the QMSC community, especially with the 18 to 35 year olds. In line with our aspiration of reducing the horrific road toll of people in this age bracket by encouraging them to "speed on the track not on the road" the Board has taken the decision to connect with them through a social media and website platform. In short QMSC is re-branding itself to not only be a community for traditional enthusiasts and supporters, but for younger enthusiasts as well, whatever their passion. **The larger our community the louder our united voice will be.**

We are almost half way through the year which means two things: tax time and time to renew your QMSC membership.

**As QMSC is a not-for-profit organisation, all funds go towards our continued lobbying and promotion of motorized activities.**

By upgrading or renewing your membership to **"Supporter"** you will not only be supporting the organisation that is a voice for your motorized passions but will have access to our **Special Interest Vehicle (SIV/Club Rego) Registration** and our **Personal Insurance** through Jardine Lloyd Thompson (JLT).

**"To comply with the Department of Transport rules you must renew your QMSC membership every year to keep your SIV Registration."**

It is worthwhile considering our personal insurance, as although you may be covered at an event, accidents can occur getting to and from any event. With the personal QMSC/JLT insurance package for only \$33 per annum you and your family can have peace of mind. Check it out at our website [www.qmsc.org.au](http://www.qmsc.org.au)

Please complete and return the attached membership form to keep supporting the motorised sports community. **FEES DUE BY 30<sup>th</sup> JUNE 2015**
