We hereby apply to become an organisation member of Queensland Motorised Sport Council Inc (QMSC). We accept that, as part of our application we, being the two designated representatives of the applicant entity, may be invited to attend before the QMSC Board and/or its membership sub-committee. We accept that such Board or sub-committee has comprehensive responsibilities and powers to consider and decide membership admission at their collective discretion, and that no correspondence will be entered into, or further consideration of our membership application will be available to us as a right.

We accept that our application may be listed in an appropriate QMSC publication.

We acknowledge that we can download a copy of the QMSC Constitution at any time from [www.qmsc.org.au](http://www.qmsc.org.au). In the event of our admission as a member, we agree to be bound by the QMSC Constitution, including the rights and duties of membership and hereby acknowledge acceptance of all provisions associated with our membership.

**It is understood that QMSC Organisation Membership is based on payment of the annual fee of \$55 including GST.** The Organisation Membership fee is determined by the QMSC Board annually and subsequently invoiced by QMSC. Any benefits that accrue to the membership are dependent on being a current financial member of QMSC. Benefits of being a member of QMSC include access to competitive insurance packages for public liability, association's liability and voluntary workers.

Additionally, as a QMSC Organisation Member, your members will be supporting an organisation that advocates on behalf of recreational motorised sports activities and access to other benefits as advised and/or decided by QMSC from time to time.
